

## **DOCKLANDS YACHT CLUB**

### **Vision**

Our vision is to create a leading community facility in the heart of Docklands which has a broad and inclusive sailing programme as its core focus. The activities of Docklands Yacht Club will encompass seven main areas: safety, community sailing, competition, facilities, fee for service programs, special events, and volunteering.

### **Safety**

- To maintain safety as the highest priority for all sailing experiences.

### **Community Sailing**

- To foster community interest in sailing through the provision of regular, welcoming and inclusive sailing opportunities at Docklands.

### **Competition**

- To develop a world-leading training and racing programme for Access class sailors that is orientated towards maximum participation and nurturing the developing of internationally competitive sailors.
- To facilitate short course racing events for sailors in other classes.

### **Facilities**

- To make a significant contribution to the design, establishment, and operation of a permanent, inclusive, community-based water-sport facility at Docklands

### **Fee for Service Programs**

- To conduct a leading sailing programme for schools.
- To host unique and professional events for corporate clients.

### **Special Events**

- To participate enthusiastically in major Docklands' events.

### **Volunteering**

- To help our volunteers have rich and rewarding experiences while contributing their time to enhance the lives of others.

### **Mission Statement**

Our mission is to establish a leading sailing club at Docklands that is:

- Welcoming of new sailors.
- Inclusive of people from diverse backgrounds.
- Dedicated to providing participation, training & competitive sailing opportunities.
